This delegation does not include the following:

(1) NSPS Subparts C, Ca, Cb, Cc, or Cd, which address Emission Guidelines and Compliance Times and thus are not delegated under CAA Sec. 111(c). To the extent that there are sources within the District that would be subject to these Subparts, the District should be developing regulations for submission to EPA as a Plan under 40 C.F.R. Part 60, Subpart B.

(2) Appendices to 40 C.F.R. Part 60, which also are not performance standards delegated under CAA Sec. 111(c). However, all applicable test methods and other requirements in the Appendices must be followed for the delegated subparts.

Acceptance of this delegation constitutes your agreement to follow all applicable provisions of 40 CFR Part 60, including but not limited to use of EPA's test methods and continuous emission monitoring procedures. As of the effective date of this delegation, SLOCAPCD will have primary authority to enforce the above standards. EPA will retain independent enforcement authority, and will exercise such authority in a manner consistent with EPA's "Timely and Appropriate Enforcement Response to Significant Air Pollution Violators" Guidance, and any revisions thereto, and our enforcement agreement. All notifications and reports required of sources by the above standards should be sent to you,

with a copy to our office. The delegation is effective upon the date of this letter unless the U.S. EPA receives written notice from you or the District of any objections within 10 days of receipt of this letter. A notice of this delegated authority will be published in the Federal Register in the near future.

Yours,

for Felicia Marcus
Regional Administrator
